The doctor is in. Every inch of him... I'm the youngest, brightest, and most hotshot medical director the fertility clinic's ever seen. Nothing gets between me and my job, until Ada Chase walks in. I'm not supposed to touch her, at least, not in the way I want to. She's off limits in so many ways. Too rich. Too innocent. Too never-been-touched. ...Too much my patient. The sheltered young heiress is in my office so her rich, sh*tty family can see if she's capable of bearing children. And I'm supposed to examine her - every inch of her sweet, tempting body - to check. But I've wanted her since the instant I laid eyes on her, and now I'm obsessed, possessed, and driven like I've never been before. First, I'm going to make her beg. Second, I'll make her mine. And third? Well, third is the best part. Third is me putting a baby in that soft young belly. And after that, I'll steal her away from all of this. F**k the medical code of conduct, forget

Some men are troublemakers or dealmakers. The men in my family? We're baby makers. For six generations, the women of wine country have had a saying: don't bang a Hunter man unless you want a bun in your oven. Yeah, well. I've got a saying too: no thanks. The last thing I need is baby makes three. My business is expanding and the only thing I'm interested in getting knocked up is my bottom line. But then one night Emma Haverford makes me an offer I can't refuse—she backs away from the land I have my eye on in exchange for a favor... A big, fat, baby making favor... ***** When I hear women have gotten pregnant shaking hands with Hunter men, I know I need Dylan Hunter's...ahem, special skills...way more than I need to expand my vineyard. I'm ready to give my heart to a child and I'm tired of waiting for my late-to-the-party Prince Charming to make my dreams come true. So I promise Dylan—three

Keeland and Penelope Ward. Calliope: I believe in love. Or I did until my husband died. Now, I believe in surviving this world without him. I have a plan mapped out for the rest of my life, and it doesn't involve a man. I've been down that road, and I'm not willing to risk my heart again. Not even for the devastatingly handsome and charming Dr. Keegan Russo, who also happens to be one hell of a kisser. My head has plans, but what happens when my heart can't say no? Keegan: Hot as hell sex with no strings attached. That's my credo. It works, too, until she walks into my office. Calliope. A young widow with totally different priorities than me. There's no future for us, but I can't stay away, either. For the first time, I want something complicated and messy, and I want it with her. But that means breaking the promise I made her on the day we met.

Lyndi Kneller: Lyndi's plan: finally get her life together! She's got a new apartment, new promotion, new boyfriend. What she didn't count on—a new baby! She can barely afford her rent, much less a state-of-the-art stroller... Sophia Nunez: Sophia's plan: Once she gets her daughter Maisey off to college, she'll finally be able to enjoy life as make-up artist to one of Hollywood's biggest stars, and girlfriend to one of rock's hottest musicians. But after 18 years she discovers the stork is once again on its way... Now these women are about to jump headlong into the world of modern day pregnancy. It's a world of over the top gender reveal parties (with tacky cakes and fireworks); where every morsel you eat is scrutinized and discussed; where baby names are crowd-sourced and sonograms are Facebook-shared. Now everything she eats and does is strictly monitored as she lives in isolated splendor on the Westland estate. Stephen Westland started an orphan and became a self made man. But the Billionaire is missing one thing: a family. He has no time or interest in romance or a woman to have a child with, so he does the next best thing: he hires one. Stephen ignores Kendra on the days between her cycle but when the doctor says she is ovulating, he spends every waking moment filling her with his seed. Can he ignore the feelings the young beauty stirs in him? Or the fact that he starts to pray that it takes longer to accomplish their task?
