Amazon.com: Corrosion for Everybody (9789048134762 ...
First of all, we have to define the term " corrosion " in an interesting way.When you observe the rust spots on a car, the question is why was the rust formed? It was formed because of the reaction between iron and the environment. This may be the atmosphere, water, soil, chemicals, etc. We call rust a " corrosion product " formed on iron surfaces.
