and the folk beliefs. He then studies the language and culture of the Ashanti (of whom many Jamaicans have descended) by comparing them to well known and established Hebraic traditions. William's findings suggest stunning similarities. And, he challenges the reader by concluding that Hebraic traditions must have swept across negro Africa" and left its influence "among the various tribes." While Williams presents a strong case, his evidence, including hundreds of quoted sources, also builds a strong case for the reverse - that an indigenous, continent-wide belief system among African people stands at the very root of Hebrew culture and Western religion. First published in 1931 and long out-of-print, today's reader will find Hebrewisms a valuable resource for understanding the cultural unity of African people."

GaDangmes of Ghana claim through oral history that they are descendants of ancient Hebrew Israelites. They refer to themselves as Yudafoi, meaning they are Jews. This book traces the origins of GaDangmes and their migration from ancient Israel, following the attack of Israel by the Assyrians to their present abode in Ghana. The ancestors of the GaDangmes were ruled by Wulomei (The High Priesthood). The book discusses GaDangme custom and traditions, including the Homowo Festival, Otufu/Dipo, circumcision, and outdooring (sanctification) of the child after birth. These traditions and customs of GaDangmes are of Hebraic origins. GaDangmes names are like genetic markers and are scattered throughout The Old Testament. Some of the names of their towns and villages bear Hebrew names. Tamar Kemp describes the GaDangmes of Ghana as descendants of authentic biblical Hebrew/Israelites whose

upwards of twenty thousand Igbos are commonly claimed to have adopted Judaism. Bolstered by customs recalling an Israelite ancestry, but embracing rabbinic Judaism, they are also the world's first 'Internet Jews'. William Miles has spent over three decades conducting research in West Africa. He shares life stories from this spiritually passionate community, as well as his own Judaic reflections as he celebrates Hanukka and a bar mitzvah with 'Jubos' in Abuja, the capital of Nigeria.

Are the tribes of Israel really "lost" or were they hidden as prophesied in Psalms 83? The Bible seems to indicate a multi national conspiracy to hide Israel and wipe out the memory of who they really are. If this is true, then history as we know it has been hijacked, and it is only through searching that we will find the truth.

In this book, you'll find the answers to the following questions, just to name a few: Why does a 1747 English map place the tribe of Judah on the "slave coast" of Africa? Why do slave ledgers show slaves being registered with Hebrew names fresh off of the ships? Why did slaves sing songs in Hebrew and call out to Yah for help? Why did Christ mention the slavery of Israel as a sign of the end of the age? Are "the times of the Gentiles" coming to an end? If you are 100% honest with yourself as you find the answers to these questions, your eyes will be opened. If you're ready to start this eye opening adventure through scripture then keep reading. ISRAEL IS STILL A NATION TO GOD AND ALWAYS WILL BE! ¶Thus saith the LORD, which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; The LORD of hosts is
