Read Free International Textbooks Vs Us Editions

International edition textbooks are books that are published by the international counterparts of educational publishers. Educational publishers have a global reach and thus publish their books in the United States and all over the world. Most often they do this to cut down on their own costs of printing and shipping.

What To Know About International Edition Textbooks

...

International editions of textbooks may have different ISBN's from the U.S. edition. We recommend that you search by title and author as well as ISBN. International edition textbooks will be clearly identified as such in Biblio's search results. Carefully compare your search results to the author and title of the book you want to order.

Buying International Edition Textbooks

An International Edition textbook is simply the international counterpart to a US Edition. Most international editions have slightly different covers, many have different ISBNs on the outside covers (although some have the same ISBN as the US edition on the inside), but are still printed on high-quality paper. International Edition textbooks may have an international label on the cover.

International Editions - TextbookRush

US books vs International edition books? I signed up for a chemistry class. The book (US edition) is \$170. I have been looking around to get this book cheaper but all i see is The International edition that is about \$100 cheaper. They claim that its the same book (same pages, chapters and etc), it just has a different ISBN
