Andrea Camilleri è nato a Porto Empedocle nel 1925. Andrea Camilleri è uno dei più grandi scrittori italiani. A 17 anni Camilleri inizia a lavorare come aiuto regista teatrale e sceneggiatore, a soli 24 anni Camilleri è già affermato regista (è il primo a portare Beckett in Italia) e autore teatrale, radiofonico e televisivo. A Camilleri si devono anche importanti rappresentazioni ...

In a small Sicilian village, a young and inexperienced policeman receives a strange phone call from a retired diplomat. On investigating the matter, he finds the diplomat dead. What at first appears to be a simple case of suicide turns into an intricate tale of corruption that involves the Mafia, the head of police, and the entire Sicilian establishment. Leonardo Sciascia (1921-1989) was born in Sicily. One of Italy's & most important modern writers, he was also a controversial commentator on political affairs, especially within Sicily. In addition to notable mystery novels, including *The Day of the Owl* and *The Wine Dark Sea*, Sciascia wrote plays, short stories, and essays.

Krimi med kommissær Montalbano

I owe him a debt. The kind money can't repay. He wants something else: me, for one year. But I don't even know who he is... 365 days and nights doing everything he wants...except that. "I'm not going to sleep with you," I say categorically. He laughs. "I'm going to make you a promise," his eyes challenge mine. "Before our time is up, you'll beg me for it." ? _____ What readers are saying about Charlotte Byrd: "Extremely captivating, sexy, steamy, intriguing, and intense!" ????? "Addictive and impossible to put down." ????? "I can't get enough of the turmoil, lust, love, drama and secrets!" ????? "Fast-paced romantic suspense filled twists and turns, danger, betrayal and so much more." ????? "Decadent, delicious, & dangerously addictive!" ????? _____ *Beware of spoilers in the reviews below that are without spoiler alerts.*

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

The long-awaited last novel in the transporting and beloved New York Times bestselling Inspector Montalbano series "At eighty, I foresaw Montalbano's departure from the scene, I got the idea and I didn't let it slip away. So I found myself writing this novel which is the final chapter; the last book in the series. And I sent it to my publisher saying to keep it in a drawer and to publish it only when I am gone." –Andrea Camilleri Montalbano receives an early-morning phone call, but this time it's not Catarella announcing a murder, but a man called Riccardino who's dialed a wrong number and asks him when he'll be arriving at the meeting. Montalbano, in irritation, says: "In ten minutes." Shortly after, he gets another call, this one announcing the customary murder. A man has been shot and killed outside a bar in front of his three friends. It turns out to be the same man who called him. Thus begins an intricate investigation further complicated by phone calls from "the Author" in tour de force of metafiction and Montalbano's last case.

"You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen...transporting. Long live Camilleri, and long live Montalbano." —A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* *The Shape of Water* is the first book in the sly, witty, and engaging Inspector Montalbano mystery series with its sardonic take on Sicilian life. Silvio Lupanello, a big-shot in Vigàta, is found dead in his car with his pants around his knees. The car happens to be parked in a part of town used by prostitutes and drug dealers, and as the news of his death spreads, the rumors begin. Enter

Inspector Salvo Montalbano, Vigàta's most respected detective. With his characteristic mix of humor, cynicism, compassion, and love of good food, Montalbano battles against the powerful and corrupt who are determined to block his path to the real killer. Andrea Camilleri's novels starring Inspector Montalbano have become an international sensation and have been translated into numerous languages.

“You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen... transporting. Long live Camilleri, and long live Montalbano.” —A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Set on the Sicilian coast, a collection of eight short stories featuring the young Inspector Montalbano In 1980s Vigàta, a restless Inspector Montalbano brings his bold investigative style to eight enthralling cases. From jilted lovers and deadly family affairs to assassination attempts and murders in unexpected places, *Death at Sea* is the perfect collection to escape into Andrea Camilleri's unforgettable slice of Sicily.

Morciano di Leuca, south Apulia, Italy. Unusual theatre for a ritual murder. Valentina Medici was firstly sedated, then murdered by blood loss from two straight cuts on her wrist. The woman's husband, the writer Paolo Bernini, recognizes in the ritual the same way of which ten years previously his first wife was killed. This link with the past is the initial point from where the investigation starts, under the lead of the police Commissario from Lecce, Luigi Gelsomino, who doesn't want to talk of a serial killer but who is willing to deny his intuition if the evidence were to take him in that direction. A thriller that unwinds between the Puglia sunshine and the northern Italian fog. A riddle wet in blood spilt by a mysterious sect of young literati; where anyone could be guilty, but nobody will result completely innocent.

The *Treasure Hunt* is the sixteenth gripping novel in Andrea Camilleri's bestselling Inspector Montalbano series. Montalbano opened the door to step out. But Gallo held him back, putting one hand on his arm. 'What's in there, Chief?' 'If it's what I think, it's something so horrific that it'll haunt your dreams for the rest of your life . . .' When a crazed elderly man and his sister begin firing bullets from their balcony down onto the Vigàta street below, Inspector Montalbano finds himself a reluctant television hero. A few days later, when a letter arrives containing a mysterious riddle, the Inspector becomes drawn into a perplexing treasure hunt set by an anonymous challenger. As the hunt intensifies, Montalbano is relieved to be offered the assistance of Arturo Pennisi, a young man eager to witness the detective's investigative skills first hand. Fending off meddling commissioners and his irate girlfriend, Livia, the inspector will follow the treasure hunt's clues and travel from Vigàta's teeming streets to its deserted outskirts: where an abandoned house overlooks a seemingly bottomless lake. But when a horrifying crime is committed, the game must surely be laid aside. And it isn't long before Montalbano himself will be in terrible danger . . . The *Treasure Hunt* is followed by the seventeenth Inspector Montalbano title, *Angelica's Smile*. PRAISE FOR THE SERIES "A magnificent series of novels" Sunday Times "There's a deliciously playful quality to the mysteries Andrea Camilleri writes about a lusty Sicilian police detective named Salvo Montalbano." New York Times Book Review "Camilleri as crafty and charming a writer as his protagonist is an investigator." The Washington Post "The books are full of sharp, precise characterizations and with subplots that make Montalbano endearingly human ... Like the antipasti that Montalbano contentedly consumes, the stories are light and easily consumed, leaving one eager for the next course." New York Journal of Books
