Along with a core group of other funders, the Carnegie Corporation of New York began investing in voting rights and elections work in the United States in the 1970s and 1980s. However, it wasn't until the early years of the 21 st century that funders started to work more intentionally together in their support for voting rights.

Formerly published as *An American Metropolis*, this new edition features a new preface in which Lankevich discusses the impact of the events of September 11 on the city, as well as an updated final chapter on the Giuliani administration. By understanding the history of New York, we obtain a vital sense of what America was, is, and can become.
