Perdido Street Station Publisher's Summary Beneath the towering bleached ribs of a dead, ancient beast lies New Crobuzon, a squalid city where humans, Re-mades, and arcane races live in perpetual fear of Parliament and its brutal militia.

A magnificent fantasy rife with scientific splendor, magical intrigue, and wonderfully realized characters, told in a storytelling style in which Charles Dickens meets Neal Stephenson, Perdido Street Station offers an eerie, voluptuously crafted world that will plumb the depths of every reader's imagination. Beneath the towering bleached ribs of a dead, ancient beast lies New Crobuzon, a squalid city where humans, Re-mades, and arcane races live in perpetual fear of Parliament and its brutal militia. The air and rivers are thick with factory pollutants and the strange effluents of alchemy, and the ghettos contain a vast mix of workers, artists, spies, junkies, and whores. In New Crobuzon, the unsavory deal is stranger to none--not even to Isaac, a brilliant scientist with a penchant for Crisis Theory. Isaac has spent a lifetime quietly carrying out his unique research. But when a half-bird, half-human creature known as the Garuda comes to him from afar, Isaac is faced with challenges he has never before fathomed. Though the Garuda's request is scientifically daunting, Isaac is sparked by his own curiosity and an uncanny reverence for this curious stranger. While Isaac's experiments for the Garuda turn into an obsession, one of his lab specimens demands attention: a brilliantly colored caterpillar that feeds on nothing but a hallucinatory drug and grows larger--and more consuming--by the day. What finally emerges from the silken cocoon will permeate every fiber of New Crobuzon--and not even the Ambassador of Hell will challenge the malignant terror it invokes. . . . BONUS: This edition contains an excerpt from China Mieville’s Embassytown.

The metropolis of New Crobuzon sprawls at the centre of its own bewildering world. Humans and mutants and arcane races throng the gloom beneath its chimneys, where the rivers are sluggish with unnatural effluent, and factories and foundries pound into the night. For more than a thousand years, the parliament and its brutal militia have ruled over a vast array of workers and artists, spies, magicians, junkies and whores. Now a stranger has come, with a pocketful of gold and an impossible demand, and inadvertently something unthinkable is released. Soon the city is gripped by an alien terror – and the fate of millions depends on a clutch of outcasts on the run from lawmakers and crime-lords alike. The urban nightscape becomes a hunting ground as battles rage in the shadows of bizarre buildings. And a reckoning is due at the city's heart, in the vast edifice of Perdido Street Station. It is too late to escape.

Willkommen in der unmöglichen Stadt! A mythmaker of the highest order, China Miéville has emblazoned the fantasy novel with fresh language, startling images, and stunning originality. Set in the same sprawling world of Miéville’s Arthur C. Clarke Award-winning novel, Perdido Street Station, this latest epic introduces a whole new cast of intriguing characters and dazzling creations. Aboard a vast seafaring vessel, a band of prisoners and slaves, their bodies remade into grotesque biological oddities, is being transported to the fledgling colony of New Crobuzon. But the journey is not theirs alone. They are joined by a handful of travelers, each with a reason for fleeing the city. Among them is Bellis Coldwine, a renowned linguist whose services as an interpreter grant her passage--and escape from horrific punishment. For she is linked to Isaac Dan der Grimmebulin, the brilliant renegade scientist who has unwittingly unleashed a nightmare upon New Crobuzon. For Bellis, the plan is clear: live among the new frontiersmen of the colony until it is safe to return home. But when the ship is besieged by pirates on the Swollen Ocean, the senior officers are summarily executed. The surviving passengers are brought to Armada, a city constructed from the hulls of pirated ships, a floating, landless mass ruled by the bizarre duality called the Lovers. On Armada, everyone is given work, and even Remades live as equals to humans, Cactae, and Cray. Yet no one may ever leave. Lonely and embittered in her captivity, Bellis knows that to show dissent is a death sentence. Instead, she must furtively seek information about Armada’s agenda. The answer lies in the dark, amorphous shapes that float undetected miles below the waters--terrifying entities with a singular, chilling mission. . . . China Miéville is a writer for a new era--and The Scar is a luminous, brilliantly imagined novel that is nothing short of spectacular. BONUS: This edition contains an excerpt from China Miéville’s Embassytown.

Following Perdido Street Station and The Scar, acclaimed author China Miéville returns with his hugely anticipated Del Rey hardcover debut. With a fresh and fantastical band of characters, he carries us back to the decadent squalor of New Crobuzon--this time, decades later. It is a time of wars and revolutions, conflict and intrigue. New Crobuzon is being ripped apart from without and within. War with the shadowy city-state of Tesh and rioting on the streets at home are pushing the teeming city to the brink. A mysterious masked figure spurs strange rebellion, while treachery and violence incubate in unexpected places. In desperation, a small group of renegades escapes from the city and crosses strange and alien continents in the search for a lost hope. In the blood and violence of New Crobuzon’s most dangerous hour, there are whispers. It is the time of the iron council. . . . The bold originality that broke Miéville out as a new force of the genre is here once more in Iron Council: the voluminous, lyrical novel that is destined to seal his reputation as perhaps the edgiest mythmaker of the day. BONUS: This edition contains an excerpt from China Miéville’s Embassytown.

In City of Saints and Madmen, Jeff VanderMeer has reinvented the literature of the fantastic. You hold in your hands an invitation to a place unlike any you’ve ever visited--an invitation delivered by one of our most audacious and astonishing literary magicians. City of elegance and squalor. Of religious fervor and wanton lusts. And everywhere, on the walls of courtyards and churches, an incandescent fungus of mysterious and ominous origin. In Ambergris, a would-be suitor discovers that a sunlit street can become a killing ground in the blink of an eye. An artist receives an invitation to a beheading--and finds himself enchanted. And a patient in a mental institution is convinced he’s made up a city called Ambergris, imagined its every last detail, and that he’s really from a place called Chicago.... By turns sensuous and terrifying, filled with exotic and eroticism, this interwoven collection of stories, histories, and “eyewitness” reports invokes a universe within a puzzlebox where you can lose--and find--yourself again. From the Trade Paperback edition.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • NPR • The Guardian • Kirkus Reviews • The fiction of multiple award-winning author China Miéville is powered by intelligence and imagination. Like George Saunders, Karen Russell, and David Mitchell, he pulls from a variety of genres with equal facility, employing the fantastic not to escape from reality but instead to interrogate it in provocative, unexpected ways. London awakes one morning to find itself besieged by a sky full of floating icebergs. Destroyed oil rigs, mysteriously reborn, clamber from the sea and onto the land, driven by an obscure purpose. An anatomy student cuts open a cadaver to discover impossibly intricate designs carved into a corpse’s bones--designs clearly present from birth, bearing mute testimony to . . . what? Of such concepts and unforgettable images are made the twenty-eight stories in this collection--many published here for the first time. By turns speculative, satirical, and heart-wrenching, fresh in form and language, and featuring a cast of damaged yet hopeful seekers who come face-to-face with the deep weirdness of the world--and at times the deeper weirdness of themselves--Three Moments of an Explosion is a fitting showcase for one of literature’s most original voices. Praise for Three Moments of an Explosion “China Miéville is dazzling. His latest collection of short stories, Three Moments of an Explosion, crowds virtuosity into every sentence.”--The New York Times “You can’t talk about [China] Miéville without using the word ‘brilliant.’ . . . His wit dazzles, his humour is lively, and the pure vitality of his imagination is astonishing.”--Ursula K. Le Guin, The Guardian “[A] gripping collection . . . Miéville expertly mixes science fiction, fantasy and surrealism. . . . Amid the longer stories are more cerebral, poetic flash pieces that will haunt the reader beyond the pages of this exceptional book.”--The Washington Post “The stories shine . . . with a winking brilliance.”--The Seattle Times “Mind-bending excursions into the fantastic.”--NPR “Bradbury meets Borges, with Lovecraft gibbering tumultuously just out of hearing.”--Kirkus Reviews (starred review) “Three Moments of an Explosion is a book filled with fabulous oddities.”--Entertainment Weekly “Miéville moves effortlessly among realism, fantasy, and surrealism. . . . His characters, whether ordinary witnesses to extraordinary events or lunatics operating out of inexplicable compulsions, are invariably well drawn and compelling.”--Publishers Weekly (starred review)

Something is stirring in London's dark, stamping out its territory in brickdust and blood. Something has murdered Saul Garamond's father, and left Saul to pay for the crime. But a shadow from the urban waste breaks into Saul's prison cell and leads him to freedom. A shadow called King Rat, who reveals Saul's royal heritage, a heritage that opens a new world to Saul, the world below London's streets--a heritage that also drags Saul into King Rat's plan for revenge against his ancient enemy,. With drum 'n' bass pounding the backstreets, Saul must confront the forces that would use him, the forces that would destroy him, and the forces that shape his own bizarre identity. China Mieville's King Rat was nominated for both the International Horror Guild and Bram Stoker Awards for best first novel. What is a Borrible? Borribles are runaways who dwell in the shadows of London. Apart from their pointed ears, they look just like ordinary children. They live by their wits and a few Borrible laws-the chief one being, Don't Get Caught! The Borribles are outcasts-but they wouldn't have it any other way... One night, the Borribles of Battersea discover a Rumble-one of the giant, rat-shaped creatures who are their ancient enemy-in their territory. Fearing an invasion, an elite group of Borrible fighters set out on what will become known in legend as The Great Rumble Hunt. So begins the first of the three epic adventures in Michael de Larrabeiti's classic trilogy, where excitement, violence, low cunning, greed, generosity, treachery, and bravery exist side by side.
