THE FIRST TIME SHE DROWNED is a beautiful, heart-wrenching book about the pain of growing up in a toxic family, about growing up and learning to recognize the difference between conditional and unconditional love, about how courage, strength, and kindness can help a young woman grow away from an abusive childhood. Cassie is such a lovely character.

Ruth is a stunning portrait of the ties that bind sisters together and the forces that tear them apart, of the dangers of keeping secrets and the explosive repercussions when they are exposed. A mesmerizing and aching beautiful debut. Winter, 1919. Amanda Starkey spends her days nursing soldiers wounded in the Great War. Finding herself suddenly overwhelmed, she flees Milwaukee and retreats to her family's farm on Nagawaukee Lake, seeking comfort with her younger sister, Mathilda, and three-year-old niece, Ruth. But very soon, Amanda comes to see that her old home is no refuge--she has carried her troubles with her. On one terrible night almost a year later, Amanda loses nearly everything that is dearest to her when her sister mysteriously disappears and is later found drowned beneath the ice that covers the lake. When Mathilda's husband comes home from the war, wounded and troubled himself, he finds that Amanda has taken charge of Ruth and the farm, assuming her responsibility with a frightening intensity. Wry and guarded, Amanda tells the story of her family in careful doses, as anxious to hide from herself as from us the secrets of her own past and of that night. Ruth, haunted by her own memory of that fateful night, grows up under the watchful eye of her prickly and possessive aunt and gradually becomes aware of the odd events of her childhood. As she tells her own story with increasing clarity, she reveals the mounting toll that her aunt's secrets exact from her family and everyone around her, until the heartrending truth is uncovered. Guiding us through the lives of the Starkey women, Christina Schwarz's first novel shows her compassion and a unique understanding of the American landscape and the

people who live on it.

Perfect for fans of Holly Bourne and Karen McManus. It's been eight years since Olivia Catheart nearly drowned in the waters of Caldwell Beach. Now she's back for the summer to reconnect with her old life and face her fear of the water. But things have changed in the sleepy seaside town - there are secrets hiding everywhere and only West, the bad boy older brother of her best friend, can help her discover the truth? Is Olivia's summer destined for happiness or heartbreak?

From the bestselling author of Tangerine, a "taut and mesmerizing follow up...voluptuously atmospheric and surefooted at every turn." (Paula McLain, author of The Paris Wife and When the Stars Go Dark) It's 1966 and Frankie Croy retreats to her friend's vacant palazzo in Venice. Years have passed since the initial success of Frankie's debut novel and she has spent her career trying to live up to the expectations. Now, after a particularly scathing review of her most recent work, alongside a very public breakdown, she needs to recharge and get re-inspired. Then Gilly appears. A precocious young admirer eager to make friends, Gilly seems determined to insinuate herself into Frankie's solitary life. But there's something about the young woman that gives Frankie pause. How much of what Gilly tells her is the truth? As a series of lies and revelations emerge, the lives of these two women will be tragically altered as the catastrophic 1966 flooding of Venice ravages the city. Suspenseful and transporting, Palace of the Drowned brings the mystery of Venice to life while delivering a twisted

From the New York Times bestselling author of *The Invited* and *The Winter People* comes a chilling new novel about a woman who returns to the old family home after her sister mysteriously drowns in its swimming pool...but she's not the pool's only victim. Be careful what you wish for. When social worker Jax receives nine missed calls from her older sister Lexie, she assumes that it's just another one of her sister's episodes. Manic and increasingly out of touch with reality, Lexie's mental state has pushed Jax away for over a year. But the next day, Lexie is dead: drowned in the pool at their grandmother's estate. When Jax returns to the house to go through her sister's things, she learns that Lexie was researching their family's and the house's history. And as Jax dives deeper into that research, she discovers that the land holds a far darker history than she could have ever imagined. In 1929, thirty-seven-year-old newlywed Ethel Monroe hopes desperately for a baby. In an effort to distract her, her husband whisks her away on a trip to Vermont, where a natural spring is showcased by the newest and most modern hotel in the northeast. Once there, Ethel learns that the spring is rumored to grant wishes, never suspecting that the spring takes in equal measure to what it gives. A haunting, twisty, and compulsively readable thrill ride from the author who Chris Bohjalian has dubbed the "literary descendant of Shirley Jackson," *The Drowning Kind* is a modern-day ghost story that illuminates how the past, though sometimes forgotten, is never really far behind us.

"With *The Drowning Girl*, Caitlín R. Kiernan moves firmly into the new vanguard, still being formed, of

our best and most artful authors of the gothic and fantastic—those capable of writing fiction of deep moral and artistic seriousness.”—Peter Straub India Morgan Phelps—Imp to her friends—is schizophrenic. She can no longer trust her own mind, convinced that her memories have somehow betrayed her, forcing her to question her very identity. Struggling with her perceptions of reality, Imp must uncover the truth about an encounter with a vicious siren, or a helpless wolf who came to her as a feral girl, or something that was neither of these things, but something far, far stranger...
