Stance, defense and punches

The Heart Of Karate Do

In my humble opinion, The heart of karate do is not a book to learn techniques (eventhough it includes nice pictures and descriptions of the basic stances and striking, blocking and kicking techniques, no to mention the warm up excercises). It is, on the other hand, a very inspiring book.

As a method of self-defence, karate has few equals, yet despite its great popularity, the essence of the art has been poorly grasped by many of its practitioners. Ancient in origin, the martial arts of the East have always had the development of man's spiritual, as well as physical, nature at their core.
