A catalog card is an individual entry in a library catalog containing bibliographic information, including author's name, book title, and even approximate location. Eventually the mechanization of the modern era brought the efficiencies of card catalogs. It was around 1780 that the first card catalog appeared in Vienna.

The lives of four young people in very different circumstances are changed by their encounters with a mysterious library card that introduces them to the world of books and reading. Reprint.

The lives of four young people in different circumstances are changed by their encounters with books.

Based on a scene from Wright's autobiography, Black Boy, in which the seventeen-year-old African American borrows a white man's library card and devours every book as a ticket to freedom.

A quirky ode to spirit, identity, and the joy of having (or being) a library card.

Amelia Bedelia helps out at the library with her classmates and wonders what kind of book she should borrow when she receives her first library card.

From the archives of the Library of Congress: "An irresistible treasury for book and library lovers." —Booklist (starred review) The Library of Congress brings book lovers an enriching tribute to the power of the written word and to the history of our most beloved books. Featuring more than two hundred full-color images of original catalog cards, first edition book covers, and photographs from the library's magnificent archives, this collection is a visual celebration of the rarely seen treasures in one of the world's most famous libraries and the brilliant catalog system that has kept it organized for hundreds of years. Packed with engaging facts on literary classics—from Ulysses to The Cat in the Hat to Shakespeare's First Folio to The Catcher in the Rye—this is an ode to the enduring magic and importance of books. "The Card Catalog is many things: a lucid overview of the history of bibliographic practices, a paean to the Library of Congress, a memento of the cherished card catalogs of yore, and an illustrated collection of bookish trivia. . . . The illustrations are amazing: luscious reproductions of dozens of cards, lists, covers, title pages, and other images guaranteed to bring a wistful gleam to the book nerd's eye." —The Washington Post
